

LANDOR RACES

Leaving 24th September last day of races
Monday 2nd October

Landor is about 90km south of Mount Augustus or 400km East of Carnarvon.

As we are traveling through wildflower country we will be travelling slow and enjoying the trip. At this stage we are not sure if we will be coming straight home or visiting Mount Augustus. There would be no problem traveling home alone if you need to get back.

We will be traveling on gravel roads but they are good roads so you can bring caravans or trailers.
