

Ledge Point Clean Up 2018

3-5 March 2018

Clean Up Australia Day

4 March 2018

For many years the Armadale 4 Wheel Drive Club has cleaned up a section of beach and sand dunes in the Breton Bay area (south of Ledge Point) for Clean Up Australia Day.

2018 is no different as we continue our tradition.

The weekend is not only about making a difference in the community but also shows others that we, as four wheel drivers, do care for the environment.

The clean-up will only take a couple of hours on Sunday (4 March) which we plan to start at 8.00am.

The more hands we can have on the day the merrier.

The rest of the weekend can be filled by swimming, fishing and 4 wheel driving.

Although not necessary to register as a volunteer you can do so by going to the following website:
