

Come and join us for a drive of  
**“The Captain Fawcett Track”**

*The Captain Fawcett Commemorative 4WD Track showcases some 90 km of Western Australia's best Jarrah forests, magnificent views, historic farmhouses and original settlers' trestle bridges.*

The track starts at Dawn Creek Road just outside Dwellingup and we will finish up at the Old Quindanning Tavern for refreshments before making our way back up the highway to Dwellingup.

For those wishing to head down on Saturday and camp out around Dwellingup the Marrinup Camping area would be a good option. We will be gathering in Dwellingup at the Visitors Centre before heading off as a group at 10am.
