

10 – 12 October 2014

Last year's inaugural Trailwalker Perth raised over \$1,500,000 to challenge poverty throughout the world.

This year they have a new and challenging trail that will test the endurance of the participants.

Oxfam Trailwalker is a huge logistical exercise, and they couldn't do it without the support of their wonderful volunteers

In 2013 a few members of the association stepped up and helped out by volunteering their valuable time.

This year is no different and Oxfam are currently looking for volunteers to help in this year's event.

We all had a fantastic time and are planning to help out again this year.

Some of the volunteer roles available include Marshals, Drivers and also some professional occupations (eg physio's).

The best way to find out what roles are available is to visit Oxfam's website:

If you would like to volunteer but need a push please feel free to talk to

Andrew Phillips (0416 250 441) or Ray Hankinson (0412 100 877)

as we are only too happy to share our experiences with you.
