

# CAPTAIN FAWCETT TRACK WORKING BEE

## DWELLINGUP 16<sup>TH</sup> AND 17<sup>TH</sup> MAY 2015

### Our first trip on the track

Meet at Getaways Kelmscott at 7:30am and make our way down so we can do a couple of hrs work in the morning, break for lunch and then a few more in the afternoon.

If needed we can do some on Sunday morning before we come home.

We will camp in Dwellingup National park, where is being organised with the Ranger at present and cost to be notified.

We will need to limit the number of vehicles on the track so we will then travel in cars together to the track to do the work.

The work is making passages on the edge of the road so water can drain off the road during winter.

You will need shovels, gloves, wet weather gear in case and boots.

Ladies we may stay at camp and do some cooking so we can have morning tea, lunch and dinner organised for the workers.

Please let me know if you are interested in attending and helping so we can get an idea of numbers for the Ranger. Elizabeth 0418904844 or email [bizzle66@bigpond.net.au](mailto:bizzle66@bigpond.net.au)

This is of course subject to weather.
