Mt Augustus Trip 4th July to 11th July 2015

We are running this trip to venture along the Kingsford Smith mail run and parts of the Wool Wagon Pathway stopping in the middle at Mt Augustus, a massive monolith twice the size of Uluru for a few days.

We are committed to these dates as we have a child returning on the 11th from a school trip which we want to be home for. People are also able to extend their trip with us or deviate off from anywhere so they can see other parts whilst up that way.

We have 6 cars confirmed so far so if interested please let us know ASAP as need to book camping sites at MT Augustus soon. We have set an itinerary if you are interested to see what we intend to do each day.

Please send us an email on bizzle66@bigpond.net.au if you are interested.

If you are interested in looking at the area and tracks see
