from 8.30am

There will also be a busy bee on the 29th October to do an "emu bob" in the dingo enclosure at Glenn Dewhurst's place (just around the corner).

The dingos will be moved to allow easy access and then afterwards you will be able to get up close and personal with the Black Cockatoos that Glenn has.

This is an extension to Kaarakin for quarantine purposes. If you are able to help on this day please let me know.

We will require approx 8 - 10 people
