

Come and join us for a drive of

“The Captain Fawcett Track”

The Captain Fawcett Commemorative 4WD Track showcases some 90 km of Western Australia's best Jarrah forests, magnificent views, historic farmhouses and original settlers' trestle bridges.

The track starts at Dawn Creek Road just outside Dwellingup and we will finish up at the Old Quindanning Tavern for refreshments before making our way back up the highway to Dwellingup.

If you have nothing to do on the Easter Sunday and feel like going for a drive thru the Forrest, why not join us.
