

A Night at the Drive-In.... (Koorda)

22nd June 2019

Come and join us for a bit of nostalgia and enjoy a night at the Drive-In Cinema...

The Koorda town still has an operational Drive-In Cinema, the movie projector has recently been upgraded to the latest and greatest Laser Projector.

There is also a diner onsite for food, popcorn, hot chips, lollies, and drinks... (Or bring your own)

I've found a campsite just out of town (16km) which should be big enough for us and best of all its free....
