

Hello Belvidere

4 – 5 January 2020

Come on down to the Belvidere campsite near Australind to enjoy a busy weekend of doing nothing.

After taking a leisurely drive down to the campsite we can spend the afternoon enjoying the nearby beaches or even having a quick trip into Bunbury to see the sights.

On Sunday we will join in with the Buffalo Beach and Dolphins trip to again have a lazy morning on the beach before heading north towards White Hills.

Don't forget to bring along your fishing gear, bathers, sunscreen and hats
