

Not the Bogan Bingo Trip

28 – 29 March 2020

For those who want to get away for the weekend lets head down and camp the [Marrinup Townsite](#) for the Saturday night and then head out on the Captain Fawcett Track on Sunday

Meet 9.00 am at the Information Bay, South Western Highway Byford (near Thomas Road)

Camping fees will apply and are payable at the site:

\$8 per adult

\$6 concession card holders

\$3 per child (5-16)

I believe that caravans can access the campsite but will probably not be suitable for the Captain Fawcett Track

Fire bans are still in place so we will not be able to have a fire but I am sure we can still find something to sit around and enjoy a few light beverages.

If you wish to head down later in the day please let me know
