

East of Armadale

Wandering Hungi Fun Way Home.

Trip Leader: Vicki McGrady & Glen Usher (assisting)

When: 13/09/2020

Time: 10:00 (or whenever we are already leave)

The Plan: Rather than taking the usual way home, we will make our back to North Bannister where we enter the bush tracks and make our way northeast to the Brookton Hwy and then return home.

This track is a lovely drive, with hills and open farmland.

Level of Difficulty: Level 3-4.

While is not to hard it will be wet and potentially have a lot of mud obstacles to either go around or attempt.

What to Bring: All 4wd recovery gear and lunch.
