

THE BIG CRAB SCOOP @ MIAMI HOLLIDAY PARK

11th – 13th Feb 2022

Come along and enjoy a fun weekend of Crab scooping in the Peel/Harvey Estuary. We will try a new location this year at the “**Miami Holiday Park**”, there are some lovely grass sites right near the water, so let me know asap as trying to get a group deal, need at least 10-15 site bookings.... There is a boat ramp onsite also, so if anyone would like to bring a tinny, let me know.

We are not far from White Hills Beach if wanting to access during the weekend also. Bring along your crab scoops and crab cookers so we can eat our catch....
