

Harvey Night Run

21st – 22nd April 2012

Trip leader: Dave Whittaker.
Where: Harvey.
Meet: 13.00 hrs 21st April, Byford information bay.
Grade: 3.
What to Bring: food, drink, camping gear, recovery gear and a sense of adventure.

The Plan: Head down to Harvey (about an hours drive south) set up camp at Logue brook campsite next to the dam. (fees may apply) mill around for the afternoon, maybe a short drive before heading out on a 20k loop taking in some of the most beautiful scenery you won't be able to see as it will be pitch black!!!

We should all return back to camp in one piece within 2 to 3 hours for a well-earned drink. There are a few tricky sections that we may have to miss out if the weather is not favourable or these may be a challenge for the more daring...

Anyone interested should give me a call on 0409 022 286 or send me an email to: dwhitt27@bigpond.net.au
