

Exploring Harvey

Date: 16-17 June 2012

Trip leader: David Whittaker

Bring: camping gear, food and drink for overnight, recovery gear, warm clothes and good footwear.

Meet: Byford information Bay, 7.45 am for 8.00 am departure.

Itinerary: Head down to Harvey stopping at the Pinjarra Bakery for a pie breakfast.

Arrive at Harvey and set up camp at the caravan park then head out to find some challenging tracks.

We will either have lunch out on the track or return to camp, which ever is preferred. Continue finding tracks before dinner then maybe have a short run out after dark for those interested. A few drinks round the campfire before bed.

Get up in the morning, have breakfast maybe drive a few tracks before heading home via the back roads and the Skipworth Winery.

There are full toilet and shower facilities and a cafe open into the afternoon and for breakfast. Camping fees apply, not sure how much at this point. Anyone interested please contact Dave. Ph: 9525 4601 or email dwhitt27@bigpond.net.au
