

New Years Get Together *A Day on the Beach*

Do you want to spend a day at the beach and catch up with everyone after the busy Christmas and New Year Period?

Come and join us in a relaxing day at the beach.

Bring your bathers, sunscreen hats, beach toys and your fishing gear if you want to try your luck (and don't forget your recovery gear and compressor).

We plan to spend a relaxing day on the beach after a little bit of 4WDing to get there.
