

WILD-FLOWER / GRANITE LOOP TRIP

6th Sept – 10th Sept 2013

We will be touring through the central wheat belt via Dowerin, Mukinbudin & Beacon to check out the wildflowers, the quality of which is dependent on rain. However the granite outcrops in the area are very interesting to see and explore.

TRIP DETAILS:

- Trip Leaders:** Trevor & Wendy Desmond.
- Meet:** Truck bay in Albany H/wy, Kelmscott (near Lake Road Kelmscott).
- When:** Departing: 6pm Friday 6th September. (approx. 160 Kms to camp spot)
Returning: Tuesday 10th but some may wish to leave earlier.
- Bring:** Camping gear, Food, Drinks etc. ALSO, to enable us to have a campfire when we arrive at the camp spot on Friday night please bring some firewood!
- Level:** 1 (But there will be a couple of opportunities to test your skills at 4WDing - level 3?)
- Distance:** Approx. 650 Kms for total trip.
- Contact:** 9390 5203 or 0409 089 758

Call us to if you intend to come or if there are any further questions.
